

Review of Achievement Standards

Achievement Standard 2.2

Learning Area The Arts

Subject Māori Performing Arts

Standard Title Describe the similarities and differences between a Māori Performing Arts performance and one other performance

Credits 6

Assessment Mode Internal

Conditions of Assessment

- The material for this standard will be student-generated information which may be presented in verbal or written form, and may be accompanied by physical demonstration or visual images. Students may also choose to perform as part of their evidence.
- Teachers should ensure the rigour of the outcome is appropriate for Level 7 of the New Zealand Curriculum.
- Evidence may be presented by the student in a range of forms, including:
 - annotated visual information
 - oral presentation
 - physical demonstration accompanied by verbal or written explanation
 - written information
 - digital formats
 - audio and visual recordings
 - a performance.

Statement

Students will describe the similarities and differences between a Māori Performing Arts performance and one other performance.

Review of Achievement Standards

Achievement Criteria

Achieved	Achieved with Merit	Achieved with Excellence
Describe the similarities and differences between a Māori Performing Arts performance and one other performance	Explain the similarities and differences between a Māori Performing Arts performance and one other performance	Analyse the similarities and differences between a Māori Performing Arts performance and one other performance

Explanatory notes

Explanatory Note 1

Describe the similarities and differences between a Māori Performing Arts performance and one other performance involves:

- identifying at least two similarly and three differently expressed elements, and how they are similar or different

Explain the similarities and differences between a Māori Performing Arts performance and one other performance involves:

- exploring which of the similar or different elements are most important to each performance, and why

Analyse the similarities and differences between a Māori Performing Arts performance and one other performance involves:

- discussing how the identified elements fit into the wider landscape of their respective performing art

Explanatory Note 2

Other performance refers to either another Māori Performing Arts performance OR a performance from a different performing art.

Review of Achievement Standards

Explanatory Note 3

Elements are aspects of a composition or performance that are present in but not unique to Māori Performing Arts.

Examples of elements include:

- tempo
- rhythm
- dynamics
- melody
- phrasing
- harmony
- shape
- space
- energy
- characterisation
- voice
- imagery
- metaphor
- point of view
- setting
- tone
- composition structure
